

SANDWICHES & SHOES

PROJECT

Shoes are a basic need for everyone. Many cannot afford shoes. Others of us have good shoes that we have simply stopped wearing lying around in our closets. We want to collect those unused shoes and get them on needy feet. Over the next few weeks we will collect old shoes to give out to those in need on Sunday, Dec. 6th.

In addition to shoes we will also be giving away free sandwiches. We will gather our team at The Royal and make simple sandwiches and then take them along with the free shoes to Moore Square to distribute.

NEED

- As you are home for the holidays grab your old shoes (or go buy new ones) and bring them to the next 724, Nov. 29th.
- Be a part of our assembly and distribution team on Sunday, Dec. 6th @ 3 pm.
